### **DELANCLiP Fusion - quick start guide:**

1. DELANCLiP Fusion comes nearly discharged, so please charge it fully before first use.
  2. If charging, **make sure the switch is OFF** - otherwise it will not charge properly.
  3. Always switch it off when finished. This will extend the battery life.
  4. RED Light means - charging
  5. GREEN light - means fully charged.
  6. Charging time - max 3 hours.
  7. You can expect at least 8 hours continuous operation on one charge cycle.
