

Thank you for your purchase !

We really appreciate your time and wish to say a **BIG THANK YOU !**

DELANCLiP Fusion quick start guide:

1. DELANCLiP Fusion comes nearly discharged, so please charge it fully before first use.
 2. If charging, make sure the switch is OFF (towards the back) - otherwise it will not charge properly
 3. RED Light means - charging
 4. GREEN light means fully charged.
 5. Charging time - max 3 hours.
 6. You can expect at least 8 hours continuous operation on one charge cycle.
-

Please be sure to visit our website for head tracking manual:
